

## VACATION & MASS

Going on vacation? Don't forget to check out [masstimes.org](http://masstimes.org) to find a Catholic church in the area you will be staying. You never know what a great choir or homily you will hear in a different church. Stop and thank the Lord for a great vacation.

### Congress is trying to force Americans to pay for abortion.

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for

45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century. Billions of taxpayer dollars could be used to pay for abortion. It is critically important for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Sign the petition on [www.NoTaxpayerAbortion.com](http://www.NoTaxpayerAbortion.com) OR You can also pick up a form letter (4), one for each of the following: our representative, senators, and our president. All you have to do is date and sign the letter and mail it out. Please pick up a letter, which can be found below our large bulletin board, and let your voice be heard!
