BECOMING A CATHOLIC

Becoming Catholic is one of life's most profound and joyous experiences. Some are blessed enough to receive this great gift while they are infants, and, over time, they recognize the enormous grace that has been bestowed on them. Others enter the Catholic fold when they are older children or adults. A person is brought into full communion with the Catholic Church through reception of the three sacraments of Christian initiation—baptism, confirmation, and the holy Eucharist—but the process by which one becomes a Catholic can take different forms. Those who have been validly baptized outside the Church become Catholics by making a profession of the Catholic faith and being formally received into the Church. This is normally followed immediately by confirmation and the Eucharist. Before a person is ready to be received into the Church, whether by baptism or by profession of faith, preparation is necessary. For adults and children who have reached the age of reason (age seven), entrance into the Church is governed by the Rite of Christian Initiation for Adults (RCIA). Contact our church office to get started, 908-637-4269.

A CATHEDRAL CHALLENGE

We frequently feel helpless during these difficult times in our world. So, why not say one extra Hail Mary everyday for whatever is on our mind? It could be for our world, our family, our cities, our country, our Church, the sick, the dying, victims of violence, the souls in purgatory, the helpless, the homeless, women contemplating abortion, military and EMS personnel, to fight hunger, disease, etc. It only takes a few seconds. We can also challenge a friend or family member to do the same. If we all do this, just think of how many extra Hail Mary's could be said in one day! Take up the challenge and let us walk in life with Our Lady!

Don't be afraid...Be Ready

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
