Bishop Checchio gave dispensation

“Given the difficulties of obtaining some types of food and the many other sacrifices which we are suddenly experiencing from the coronavirus, I am granting a dispensation from abstaining from meat on Friday, March 27 and Friday, April 3. Good Friday, April 10, is universal law and bishops cannot dispense from the obligation that day.”

This means if you cannot find "meatless" meals for Friday, March 27th or Friday, April 3rd our Bishop says it will be OK to eat meat on those days--HOWEVER, on Good Friday we are not to eat any meat.
